Our Parish School

A Heritage School of Saints Aedan and Brendan School

Learn more about the transformation of St. Aedan and St. Brendan School into the Catholic Academy of New Haven. This STREAM (Science, Technology, Religion, Engineering, Arts and Mathematics) school is exciting for our parish and our city. Consider it for your family, tell a neighbor and call the school and speak with our principal, Mrs. Duncan to learn more, 203-387-5693.
Need For Religious Education Instructors
The religious education program of our parish is in need of faithful parishioners to assist in instruction our young people in the faith. The program is scheduled on Tuesday afternoon and evening and children of the parish not enrolled in Catholic school, grades first to tenth are invited to attend. The first class is 9/24.

If you would like to consider assisting in this important ministry of the parish please see Fr. Morgewicz. Thank you for your consideration.

Have You Noticed?
The damaged corner of the school was repaired. While the exact color of the replacement bricks were not available the repair looks great. The damage occurred when the snow plow accidentally backed into the wall while plowing snow last winter. The Capasso Landscaping, LLC initially agreed to make repair to the damage but then went “silent” not returning the last three phone calls. An insurance claim has now been made and restitution (cost of repair) will be sought through legal channels. It is unfortunate that a local family business is not stepping up to do the right thing for a long time customer.

GROW + GO
Archdiocese of Hartford Synod 2020 Update
As the opening of Synod 2020, October 25-27, 2019, approaches, the delegates have been asked to increase their time spent in prayer and fasting. Ed and Kathleen, the delegates from our Parish, ask that you join them in prayer as they attend a Holy Hour at 3 p.m. on September 8, to pray for the Synod. Prayer cards are available at the doors of the Church with the Synod Prayer on one side and a prayer for the return of non-practicing Catholics on the other side. We ask that you pray these prayers, especially on September 8, and the Fridays from now through October 25 (the delegate’s days of fasting), as well as on October 25, 26 and 27, in support of Synod 2020. The special purpose of our prayers on Fridays leading up to Synod 2020 is not only to ask for the success of the Synod, but also to join your prayers to our as we fast and pray on each of these Fridays.

Thank you for your support as we Grow in Faith and put that faith into action and Go into our community for the future of our Churches in the Archdiocese of Hartford.

Religious Education Registration Open
Applications and calendars for the 2019-2020 Religious Education Program are available at the doors of the Church. The first session will be Tuesday, September 24, 2019.

It is asked that parents return applications and fees to Fr. Morgewicz no later than September 15.
