Please Remember the Archbishop’s Annual Appeal this year
It is not too late to give to the 2022 Archbishop’s Annual Appeal! It is only with your help that we will be able to achieve the Annual Appeal goal of $10 Million! This year’s Appeal goal may be a challenge – but it is nothing compared to the challenge many suffer with each and every day of their lives. The Archbishop’s Annual Appeal helps provide the critical funding needed to feed the hungry, shelter the homeless, counsel those in despair, offer much-needed assistance to the unemployed, and make medical care available to those without health insurance.

Your gift to the 2022 Appeal will help to continue these and other vital ministries, services, and programs that reach out to so many in need.

A Note of Thanks...
It is important not to leave Saints Aedan and Brendan Parish without expressing my thanks to so many of the parishioners, those of you who have made my five years and four months enjoyable and spiritually enriching.

Though this is a small parish, there are still a lot of “moving parts” that need people behind them. I think of our choir, our lectors, ushers, altar servers, extraordinary ministers of Holy Communion, our weekend money counters, the holiday decorators, the weekly flower committee, the Bohan’s and others who make a welcoming environment for the weekly “coffee and,” those who supported the parish through the Knights of Columbus and those who gathered on Saturday morning while many of us were asleep to pull weeds, pick up trash and make the grounds as specular as they are!

Then there are the people who gather together to care for the parish like the members of the parish council, the finance committee members, our religious educator teachers and of course our trustees, Cindy DeCarlo and Tom LoRicco. There were the parishioners who invited me into their homes and those who quietly took care of things around the parish, either when things needed repairs or those who were consistently so generous in their financial support or generous in giving advice on special or technological issues.

When you start to list all of the groups that have people within them you start to see the involvement of many people, the people who make up the “parish” and the people who extend themselves to move their prayer into action. I sincerely want to say thank you, thank you for all you have done and will continue to do in the future to worship and honor God and serve others as they grow in their relationship with our Heavenly Father.

Please pray for me as I will continue to pray for you!
Sincerely, Fr. Morgewicz

News to Share...

As announced at Mass on the weekend of September 17-18, I have been informed that I will be transferred to Annunciation Parish in Newington. The start date is October 19.

The other news announced during that weekend is that there is simply not a priest to replace me but the parish will not be closed. The Mass schedule, however, will have to be changed to one Mass on the weekend. That Mass will be on Sunday at 9:00 a.m. starting Sunday, October 23. Weekday Masses will end October 13.

Scheduled Mass intentions will be satisfied at other times and dates but you are welcome to take back the intention and the stipend will be returned. Just call the office before October 19.

Deacon Marty O’Connor, long-time resident and deacon in and around New Haven has been appointed as the administrator of the parish and he will start on October 19. He will be discussing the future plan for Saints Aedan and Brendan which has not yet been decided, except that it will not close. This plan essentially is to decide if the parish building and parishioners will be part of the parish in Woodbridge (Assumption) or the parish in New Haven (St. Mary). The future plan will be made with your input.

Sincerely,

Fr. Morgewicz
